# About us

## What we do

Castor International is your supply chain manager for castor oil and castor derivatives. We transport, manage and control; we offer an integral process. Castor International is specialized in castor oil, castor derivatives and a broad range of raw materials for food, pharma, feed and the chemical industry. Castor International positions itself between the producer on the one hand and the consumer/end user on the other. We take care of everything necessary to deliver the required product of the right quality in the right packaging at the right time at the right place.

Within our group of companies, all facilities are available to optimally take care of your raw material.

Castor International. The one-stop-shop for your raw material and logistics.

# Food/ Pharma

Castor International has all the necessary certifications and takes care of the purchase, storage, repacking and transport of raw materials used in the food industry (such as bakery ingredients).

Examples of applications:

- Bakery ingredients / confectionary
- Cosmetics / personal care

# Feed

Castor International is familiar with the diversity within the feed industry. Raw materials for animal nutrition or veterinary medicine (such as antibiotics replacers). Castor International knows what it's all about and carries out all the steps in the process with the utmost care.

Examples of applications:

- Feed additives
- Animal healthcare

# Industrial

Raw materials for the chemical industry are in trusted and experienced hands at Castor International. We have extensive knowledge and experience with properties, functionality and application areas.

Examples of applications:

- Oil refining and lubricants
- CASE (coatings, adhesives, sealants, elastomers)

# Supply Chain Manager

Castor International is an internationally operating trading company. We take care of the total logistics chain of your raw materials.

We take care of your challenges and present ourselves as a supply chain manager. So you can focus on your core business.

Our concept for supply chain management:

## Sourcing

Whether it is a new raw material or if you want to limit your risk by no longer depending on one source, Castor International's sales team, based on its knowledge and experience for over many years, has a large network of contacts. We are happy to search for and with you.

## Logistics

In order to be able to transport every type of cargo, an extensive and versatile transport fleet is required. Our sister company has more than earned its logistic spurs over the past 80 years.

## Our value added services

- packing & repacking
- metal detection
- breaking & sieving
- mixing & blending
- heating

# Why Castor International

## Reliable knowledge partner

We are always ready for the next step. With more than 20 years of trading experience, we have the necessary knowledge.

## Full Control

We manage the entire supply chain, we direct.

## Quick delivery from stock

Castor International keeps stock in the Netherlands. In combination with its own truck fleet, this results into very short delivery times.

## Low Risk

We have years of experience in this industry and are not dependent on one source.

## Castor International. Contact us!

### Do you want full control of your supply chain?

We can support you intensively in all facets of the purchase and delivery of your raw materials. We offer 65,000 m<sup>2</sup> of facilities in the field of mixing, breaking, sieving, (re)packing and storage. All under one roof. Contact us and we will be happy to visit you!
